**EUR ING – FEANI has become ENGINEERS EUROPE effective 01
January 2023**

Dear Sir or Madame,

Due to a decision of the FEANI General Assembly of 07 October 2022, FEANI has changed its name to ENGINEERS EUROPE, starting 01 January 2023. ENGINEERS EUROPE is a non-profit organisation by Belgian law (VAT 046 057 6487) and the legal successor of FEANI with all responsibilities, duties, and obligations ensuing. ENGINEERS EUROPE is registered in the European Transparency Register (71635694112-37).

The German Federation of Technical-Scientific Associations (DVT) has been a member of FEANI since its foundation in 1951 and continues to be a member of ENGINEERS EUROPE. DVT will continue to perform the registration of engineers for ENGINEERS EUROPE (FEANI) via the EUR ING certification.

The name change has no effect whatsoever on the validity of EUR ING certificates issued by FEANI. All EUR ING-certificates that will be issued from 01 January 2023 onwards, will be issued by ENGINEERS EUROPE based on the same criteria as those issued prior to 01 January 2023.

Kind regards,
